The Audit Committee is of the view that the Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner, and such procedures and processes are reviewed on a yearly basis or such frequencies as the Audit Committee considers appropriate having regard to the value and the frequency of the RRPT.

2.2.7 Disclosure

The Group will make the required disclosure in the annual report for the subsequent financial year during which the Proposed Renewal of RRPT Mandate is in force, providing amongst others, the following information:-

- i. the type of RRPT made;
- ii. the names of the Related Parties involved in each type of RRPT, and their relationship with the Company; and
- iii. the value of the transactions

3. RATIONALE AND BENEFITS FOR THE PROPOSED RENEWAL OF RRPT MANDATE

The Proposed Renewal of RRPT Mandate to be entered into by Reneuco Group are necessary for the Group's business and are intended to meet the Group's business needs at the best possible terms. Reneuco Group should be able to have access to all available markets, products and services provided by Related Parties and to provide products and services to all persons including the Related Parties. This will enhance Reneuco Group's ability to explore beneficial opportunities as well as to promote cross-selling which will be beneficial to Reneuco Group.

The RRPTs are recurring transactions of a revenue or a trading nature which are likely to occur with some degree of frequency. These RRPT may be time sensitive by nature, making it impractical to seek shareholders' approval on a case to case basis before entering into such RRPTs. As such the Board is seeking the RRPT Mandate under Paragraph 10.09 of the Listing Requirements for these RRPT so as to facilitate the efficiency with which these transactions are carried out.

By obtaining the Proposed Renewal of RRPT Mandate, the necessity to announce and/or convene separate general meetings to seek shareholders' approval as and when such RRPT occur would not arise. This would substantially reduce the administrative time, inconvenience and expenses associated with the convening of general meetings on an ad hoc basis, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available therein.

4. EFFECTS OF THE PROPOSED RENEWAL OF RRPT MANDATE

The Proposed Renewal of RRPT Mandate will not have any impact on the share capital, shareholding structure, gearing and NA of Reneuco Group. The Proposed Renewal of RRPT Mandate is expected to contribute positively to Reneuco Group's earnings for the financial year ending 30 September 2024.

5. VALIDITY PERIOD FOR THE PROPOSED RENEWAL OF RRPT MANDATE

If approved at the AGM, the Proposed Renewal of RRPT Mandate of the Company will take effect from the date of the passing of the ordinary resolution relating thereto at the AGM and will continue in force until:-

- i. the conclusion of the next AGM of the Company following the AGM, at which time the said mandate will lapse, unless by a resolution passed at the meeting, the mandate is renewed; or
- ii. the expiration of the period within which the next AGM of Reneuco is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- iii. revoked or varied by a resolution passed by the shareholders in a general meeting,

whichever is the earlier.

The Board will seek your approval for the Proposed Renewal of RRPT Mandate at the AGM of the Company and at each subsequent AGM, subject to satisfactory review by the Audit Committee of its continued application to the related parties' transactions.

6. APPROVAL REQUIRED

The Proposed Renewal of RRPT Mandate is subject to the approval of the shareholders of Reneuco at the AGM to be convened.

7. INTERESTS OF DIRECTORS AND MAJOR SHAREHOLDERS AND/OR PERSONS CONNECTED

The direct and indirect interest of the Directors and Major Shareholders and/or Persons Connected with them who are interested in the Proposed Renewal of RRPT Mandate as at LPD are as follows:-

Interested Directors and Interested Major Shareholders

To: **The Shareholders of Reneuco Berhad**

Dear Sir/Madam,

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

The Company had on 7 December 2022, at its 25th AGM obtained an approval from its shareholders to purchase of up to 10% of the total number of issued shares of Reneuco. The aforesaid shareholders' approval for the Company to purchase its own shares is subject to the annual renewal and will lapse at the conclusion at the forthcoming AGM of the Company, unless such authority is renewed and shareholders' approval is obtained at the forthcoming AGM.

On 7 February 2024, the Board had announced the Company's intention to seek the shareholders' approval at the forthcoming AGM on the Proposed Renewal of Share Buy-Back Authority. The Proposed Renewal of Share Buy-Back Authority is subject to compliance with Section 127 of the Act and any prevailing laws, orders, requirements, guidelines, rules and regulations issued by any relevant authorities at the time of purchase.

The purpose of this Statement is to provide you with the relevant information of the Proposed Renewal of Share Buy-Back Authority and to seek your approval for the ordinary resolution in respect thereof to be tabled at the 26th AGM. The Notice of the 26th AGM and the Proxy Form are enclosed in the Annual Report 2023 of the Company, which can be downloaded from the Company's website at <https://reneuco.com/general-meeting/26th-annual-general-meeting>.

SHAREHOLDERS OF RENEUCO ARE ADVISED TO READ THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY AT THE FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 Proposed Renewal of Share Buy-Back Authority

The Board is proposing to seek the shareholders' approval with the renewal of authority to purchase up to 10% of the total number of issued shares of Reneuco at any point in time.

For illustrative purposes, as at the LPD, the total number of issued shares of Reneuco stood at 1,100,954,435 ordinary shares. Assuming no further Reneuco Shares are issued, the maximum number of shares that can be purchased by the Company shall not exceed 110,095,444 ordinary shares, representing not more than 10% of the total number of issued shares of Reneuco.

The Proposed Renewal of Share Buy-Back Authority, once approved by the shareholders, shall take effect from the passing of the ordinary resolution pertaining thereto at the forthcoming AGM and shall continue to be in force until:

- (i) the conclusion of the next AGM of the Company following the general meeting at which such resolution is passed, at which time the authority will lapse unless renewed by ordinary resolution, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM of the Company is required by law to be held; or
- (iii) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting,

whichever occurs first.

The Proposed Renewal of Share Buy-Back Authority does not impose an obligation on the Company to purchase its own shares. Rather, it will allow the Board to exercise the power of the Company to purchase its own shares at any time within the abovementioned time period.

2.2 Maximum amount of funds to be allocated and the source of funds

The Listing Requirements stipulate that the proposed purchase(s) by a listed issuer of its own shares must be made wholly out of retained profits of the listed corporation. Therefore, the maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority shall not exceed the amount stated in the retained profits of the Company.

Based on the latest audited financial statements of the Company as at 30 September 2023, the accumulated losses of Reneuco were RM67.97 million.

The Proposed Renewal of Share Buy-Back Authority, if implemented, is expected to be funded by internally generated funds and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later depending on, amongst others, the availability of internally generated funds, actual number of Reneuco shares to be purchased and other relevant factors. In the event that the Proposed Renewal of Share Buy-Back Authority is to be partly financed by external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment will not have a material effect on the cash flow of the Reneuco Group.

The actual number of Reneuco Shares to be purchased and/or held, and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock markets as well as the retained profits and financial resources available to the Company.

2.3 Treatment of the Purchased Reneuco Shares

Pursuant to the Section 127(4) of the Act, the Board may, at its discretion, deal with the Purchased Reneuco Shares in the following manner as may be permitted by the Act, and any other relevant authorities for the time being in force:

- (i) to cancel any or all of the Purchased Reneuco Shares; or
- (ii) to retain any or all of the Purchased Reneuco Shares as treasury shares which may be distributed as share dividends to the shareholders of Reneuco and/or be resold on Bursa Securities in accordance with the relevant rules of Bursa Securities and/or be cancelled subsequently; or
- (iii) combination of items (i) and (ii) above.

The decision whether to retain the Purchased Reneuco Shares as treasury shares, or to cancel the purchased Reneuco Shares or a combination of both, will be made by the Board at the appropriate time. An immediate announcement will be made to Bursa Securities on any purchase of Shares as well as any resale or cancellation of the Purchased Reneuco Shares.

Accordingly, based on Section 127(7) of the Act, where such Purchased Reneuco Shares are held as treasury shares, the Board may, at their discretion:

- (i) to distribute any or all of the Purchased Reneuco Shares as dividends to Reneuco shareholders, such dividends to be known as “share dividends”;
- (ii) to resell any or all of the Purchased Reneuco Shares in accordance with the relevant rules of Bursa Securities;
- (iii) to transfer any or all of the Purchased Reneuco Shares for the purposes of or under an employee's share scheme which may be established by the Company and/or its subsidiaries in the future;
- (iv) to transfer any or all of the Purchased Reneuco Shares as purchase consideration for any acquisition that Reneuco might undertake in the future;
- (v) to cancel the Purchased Reneuco Shares;
- (vi) to sell, transfer or otherwise use any or all of the Purchased Reneuco Shares for such purposes as the Minister may by order prescribe; and/or
- (vii) to deal with the Purchased Reneuco Shares in any other manner as allowed by the Act, Main Market Listing Requirements, applicable laws, rules, regulations, guidelines, requirements and/or orders of any relevant authorities for the time being in force.

If such Purchased Reneuco Shares are held as treasury shares, the rights attached to them in relation to voting, dividends and participation in rights, allotments and/or other distributions are suspended and the Purchased Reneuco Shares shall not be taken into account in calculating the number or percentage of shares or a class of shares in the Company for any purpose including determination of Substantial Shareholders, takeovers, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on a resolution at meetings of the shareholders.

2.4 Purchase/Resale price

Pursuant to the Listing Requirements, Reneuco may only purchase Reneuco Shares at a price which is not more than fifteen percent (15%) above the weighted average share price for Reneuco Shares for the five (5) Market Days immediately preceding the date of the purchase(s). Reneuco may only resell the Purchased Reneuco Shares held as treasury shares at a price which is:

- (i) not less than the weighted average share price of Reneuco Shares for the five (5) Market Days immediately prior to the date of resale or transfer; or
- (ii) at a discounted price of not more than 5% to the weighted average share price of Reneuco Shares for the past five (5) Market Days immediately prior to the date of resale or transfer provided that:
 - (a) the resale or transfer takes place no earlier than 30 days from the date of the purchase; and
 - (b) the resale is not less than the cost of purchase of the shares being resold or transferred.

The proposed purchase of Reneuco's own Shares and/or resale of the Purchased Reneuco Shares shall only be affected on the market of Bursa Securities via its automated trading system and shall exclude any direct business transactions as defined in accordance with the rules of Bursa Securities. Reneuco shall ensure that all dealing(s) in its own Shares/Purchased Reneuco Shares are made through stockbroker(s) appointed by Reneuco.

2.5 Potential advantages and disadvantages of the Proposed Renewal of Share Buy-Back Authority

The potential advantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (i) The Proposed Renewal of Share Buy-Back Authority would enable the Group to utilise its financial resources more efficiently especially where there is no immediate use and it may strengthen the consolidated EPS of the Group;
- (ii) The Proposed Renewal of Share Buy-Back Authority will also provide the Group with opportunities for potential gains if the purchased Reneuco Shares which are retained as treasury shares are resold at prices higher than their cost of purchase;
- (iii) In any event, the treasury shares may also be distributed as share dividends to the shareholders as a reward; and
- (iv) The Proposed Renewal of Share Buy-Back Authority may also stabilise the supply and demand of Reneuco Shares traded on Bursa Securities and reduce the volatility of the share prices. The stability of Reneuco Shares price is important to maintain investors' confidence and may also assist in facilitating future fund raising via the equity market.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority are as follows:

- (i) The Proposed Renewal of Share Buy-Back Authority if implemented is expected to temporarily reduce the immediate financial resources of Reneuco Group;
- (ii) The Proposed Renewal of Share Buy-Back Authority may also result in the Group foregoing better investment opportunities which may emerge in the future and/or any income that may be derived from other alternative uses of such funds such as deposit in interest bearing instruments; and

- (iii) The Proposed Renewal of Share Buy-Back Authority may also reduce the amount of resources available for distribution to the shareholders of the Group in the form of dividends as funds are utilised to purchase its own shares.

Nevertheless, the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages to the Group and its shareholders, as it will be implemented only after careful consideration of the financial resources of the Group and its resultant impact. The Board is mindful of the interest of the Group and the shareholders and will be prudent with respect to the above exercise.

2.6 Public shareholding spread of Reneuco

The Proposed Renewal of Share Buy-Back Authority is subject to the compliance with Section 127 of the Act and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities ("**Prevailing Law**") at the time of the purchase.

As at the LPD, the public shareholding spread of the Company was approximately 67.95%. Assuming the Proposed Renewal of Share Buy-Back Authority is carried out in full, and the number of Reneuco Shares held by the Substantial Shareholders, Directors and persons connected to the Substantial Shareholders and/or Directors remain unchanged and all the Reneuco Shares so purchased are cancelled, the public shareholding spread of the Company would reduce to approximately 64.39%.

The Board will endeavour to ensure that the Proposed Renewal of Share Buy-Back Authority will be in accordance with the Prevailing Law at the time of the purchase including compliance with the twenty-five percent (25%) public shareholding spread as required by the Listing Requirements.

2.7 Implication relating to the Rules

Pursuant to the Rules, a person and any parties acting in concert with him/her/them will be required to make a mandatory offer for the remaining Reneuco Shares not already owned by him/her/them if his/her/their stake in the Company is increased to beyond 33.0% or if his/her/their shareholdings is between 33.0% and 50.0% and increases by another 2.0% in any six (6) months period.

However, an exemption from mandatory offer obligation may be granted by the SC under the Rules subject to the parties acting in concert complying with the conditions stipulated in the Rules.

The Company intends to implement the Proposed Renewal of Share Buy-Back Authority in the manner that will not result in any of the shareholders having to undertake a mandatory offer pursuant to the Rules. In this respect, the Board will be mindful of the requirements of the Rules when implementing the Proposed Renewal of Share Buy-Back Authority.

If the number of Shares bought back result in any Substantial Shareholder(s) and/or persons acting in concert with them triggering the Rules, such Substantial Shareholder(s) and/or persons acting in concert with them may consider seeking an exemption from the obligation to undertake a mandatory offer under the Rules.

2.8 Purchase, resale and cancellation of Shares made in the previous twelve (12) months

There were no purchase, resale and cancellation of Shares made by Reneuco in the previous twelve (12) months preceding to the date of this Statement.

As at the date of this Statement, the Company does not have any treasury shares.

3. RATIONALE AND BENEFITS FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The implementation of the Proposed Renewal of Share Buy-Back Authority is envisaged to benefit the Company and its shareholders as follows:

- (i) the Company is able to utilise its surplus financial resources more efficiently. If implemented, this may help to stabilise the supply and demand of the Reneuco Shares traded on Bursa Securities and thereby support its fundamental value;
- (ii) the consolidated EPS of Reneuco and the return on equity of the Company is expected to improve as a result of a reduced share capital base;
- (iii) the Purchased Reneuco Shares retained as treasury shares provide the Board with an option to resell the treasury shares at a higher price and generate capital gains for the Company;
- (iv) the Purchased Reneuco Shares retained as treasury shares can be distributed as share dividends to the shareholders as a reward;
- (v) the Purchased Reneuco Shares retained as treasury shares can be transferred for the purpose of or any employees' share scheme that may be established by Reneuco; and
- (vi) the financial resources of the Company will increase if the purchased Reneuco Shares held as treasury shares are resold at prices higher than the purchase price.

4. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The effects of the Proposed Renewal of Share Buy-Back Authority on share capital, NA, working capital, earnings and shareholdings of Directors and Substantial Shareholders of the Company are set out below:

4.1 Share Capital

The effect of the Proposed Renewal of Share Buy-Back Authority on the issued shares of the Company will depend on whether the Purchased Reneuco Shares are cancelled or retained as treasury shares. The Proposed Renewal of Share Buy-Back Authority will result in a reduction of the issued share capital of the Company if the Purchased Reneuco Shares are cancelled.

Based on the Company's number of issued shares as at LPD, the effect of the Proposed Renewal of Share Buy-Back Authority, assuming that the Purchased Reneuco Shares will be cancelled, are as follows:

	No. of Reneuco shares
Number of Reneuco shares as at the LPD	1,100,954,435
Less:	
Maximum number of Reneuco shares which may be purchased and cancelled pursuant to the Proposed Renewal of Share Buy-Back	(110,095,444)
Resultant number of Reneuco Shares	990,858,992

However, the Proposed Renewal of Share Buy-Back Authority will have no effects on the issued share capital of the Company if all the Purchased Reneuco Shares are to be retained as treasury shares, resold or distributed to the shareholders.

4.2 NA and NA per share

When the Company purchases its own Shares, regardless of whether they are retained as treasury shares or subsequently cancelled, the consolidated NA per Share will decrease if the cost per Share purchased exceeds the consolidated NA per Share at the relevant point in time. However, if the cost per Share purchased is below the consolidated NA per Share at the relevant point in time, the consolidated NA per Share will increase.

In the case where the Purchased Reneuco Shares are treated as treasury shares and subsequently resold on Bursa Securities, the consolidated NA per Share upon the resale will increase if the Company realises a gain from the resale and vice-versa. If the treasury shares are distributed as share dividends, the consolidated NA per Share will decrease by the cost of the treasury shares at the point of purchase.

4.3 Working Capital

The Proposed Renewal of Share Buy-Back Authority, as and when implemented, will reduce the working capital and cash flow of the Reneuco Group, the quantum of which depends on, amongst others, the number of Reneuco Shares purchased and the purchase price(s) of the Reneuco Shares.

For the Reneuco Shares so purchased which are kept as treasury shares, upon their resale, the working capital and cash flow of the Reneuco Group will increase upon the receipt of the proceeds of the resale. The quantum of the increase in the working capital and cash flow will depend on the actual selling price(s) of the treasury shares and the number of treasury shares resold.

4.4 Earnings and EPS

The effects of the Proposed Renewal of Share Buy-Back Authority on the consolidated earnings of Reneuco are dependent on the number Reneuco Shares purchased, the effective funding cost to finance such purchases and/or loss in interest income to the Reneuco Group if internally generated funds are utilised. Further, the purchase of the Reneuco Shares will result in a lower number of shares being taken into account for purposes of consolidated EPS computation.

4.5 Dividends

Assuming the Proposed Renewal of Share Buy-Back Authority is implemented in full, the Proposed Renewal of Share Buy-Back Authority will have an effect of increasing the dividend rate per Share of the Company as a result of the reduction in the issued share capital of the Company.

4.6 Directors' and Substantial Shareholders' Shareholdings

The effect of the Proposed Renewal of Share Buy-Back Authority on the shareholdings of the Directors and the Substantial Shareholders of Reneuco based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders as at LPD assuming the Proposed Renewal of Share Buy-Back is undertaken in full by Reneuco, are as follows:

On 18 March 2019, 26 March 2019 and 4 April 2019, GWCSB filed three separate suits against PISB for the respective sum of RM526,809.58, RM325,677.77 and RM32,940.26 purportedly due and owing by PISB to GWCSB under the terms of moneylending agreements dated 29 December 2017, 21 November 2017 and 5 March 2018.

The first two suits were filed in the Sessions Court. PISB made applications to the Sessions Court to strike out GWCSB's claims on the grounds that, amongst others, the moneylending agreements entered into by the parties were unenforceable for breach of Sections 16, 21, 23 and 27 of the Moneylenders Act 1951. On 19 September 2019, the applications to strike out GWCSB's claims were dismissed and GWCSB's claims were set aside. On 10 June 2020, the Court of Appeal allowed PISB's appeals and set aside the leave to GWCSB file afresh granted by the High Court. Accordingly, on 11 June 2020, the Sessions Court struck out the new suits filed by GWCSB.

By a notice of motion dated 10 August 2020, GWCSB applied to the Court of Appeal to review its decision on 10 June 2020. The motion has been fixed for hearing on 8 December 2020. Subsequently on 19 November 2020, GWCSB has withdrawn its review application.

FURTHER INFORMATION

The third suit, on the other hand, was filed in the Magistrate's Court. PISB made a similar application to strike out GWCSB's claim. On 31 October 2019, the Magistrate's Court allowed PISB's application and struck out GWCSB's claim with costs. Subsequently on 12 November 2019, GWCSB appealed to the High Court against the decision of the Magistrate's Court. On 18 February 2020, the High Court dismissed GWCSB's appeal with costs.

By a notice of motion dated 17 March 2020, GWCSB applied to the Court of Appeal for leave to appeal against the decision of the High Court. The motion has been fixed for hearing on 7 December 2020. Subsequently on 19 November 2020, GWCSB has withdrawn its leave application.

On 27 January 2021, GWCSB again filed a new suit in the Sessions Court against PISB claiming for an amount of RM616,704.84 being the total outstanding sum owing under the three moneylending agreements dated 21 November 2017, 29 December 2017 and 5 March 2018 through causes of action of money had and received and unjust enrichment.

On 18 February 2021 PISB filed an application to strike out GWCSB's claim on the ground among others that the matter is *res judicata*, thus such action cannot be relitigated as it has been judged on the merits (i.e. *res judicata* is a decision given by a judge with jurisdiction over the cause of action and the parties, which disposes, with finality, of a matter decided so that it cannot be re-litigated by those bound by the judgment, except on appeal) and GWCSB is estopped and precluded from taking this action against PISB.

The Sessions Court on 19 April 2021 had allowed PISB's application with costs of RM5,000.00. GWCSB on 28 April 2021 filed an appeal to the High Court against the Sessions Court decision dated 19 April 2021. On 22 October 2021, the High Court dismissed GWCSB's appeal with costs of RM5,000.00.

On 17 December 2021, GWCSB filed an appeal to the Court of Appeal against the High Court decision dated 22 October 2021. The appeal was fixed for hearing on 19 January 2023.

The Court of Appeal on 19 January 2023 then dismissed the appeal by GWCSB with costs of RM5,000.00.

(b) Woo Wai Mun ("WWM") v PISB

On 22 March 2019, WWM filed a Writ of Summons against PISB, a former director of PISB suing in his personal capacity. WWM claimed that between the year 2016 to 2018, WWM had purportedly lent an amount of RM5,670,968.07 to PISB at PISB's request and that PISB had repaid a sum of RM980,968.07 to WWM. As at the date of the suit, WWM claimed for the balance in the amount of RM4,690,000 and interest at the rate of 5% per annum of the sums claimed from the date of the suit until the date of full payment.

On 23 April 2019, PISB filed its defence to the claim and counterclaimed against WWM for breach of his duty as a director of PISB by amongst others, failing to prepare or cause to be prepared and/or keep accurate and true accounts and financial statements of PISB and approving or causing PISB to make payments or enter in its books and accounts unsubstantiated and/or unauthorised payments, claims and/or expenses.

Additionally, PISB in its defence stated that the alleged amount owing by PISB to WWM comprises unsubstantiated and/or unauthorised payments, claims, advancements and/or expenses made by WWM and/or his wife, Nicole Wong Yuet Wan ("**Nicole Wong**") which was wrongly approved by WWM, who was the managing director and/or the director primarily responsible for the financial management of PISB at all material times.

The Court proceeded with the full trial on 3 to 6 August 2020 and after hearing the evidence from the witnesses, the Court had on 4 November 2020 allowed WWM's claim amounting to RM3,217,141.10 and disallowed WWM's other claims amounting to RM1,472,858.90. Subsequently on 24 November 2020, PISB filed an appeal to the Court of Appeal appealing against part of the decision of the High Court in allowing WWM's claim of RM3,217,141.10 with interest and costs of RM35,000.00 ("**PISB's Appeal**"). On 30 November 2020, WWM has also appealed with the Court of Appeal against part of the decision of the High Court in disallowing his claim of RM1,472,858.90 ("**WWM's Appeal**").

PISB's solicitors are of the view that PISB has an arguable case for the following reasons (1) the RM1,000,000 claim is in relation to the loan extended in 2015, which is not within WWM's pleaded case as per his statement of claim and WWM pleaded that his claim is for loans provided to PISB from 2016-2018, (2) the sum of RM400,000 ought to be disallowed as WWM failed to prove that the payments were made by WWM, and (3) the sum of RM8,109.17 ought to be disallowed as its nexus with WWM's purported loans to PISB is not established.

In respect of WWM's appeal, PISB's solicitors are of the view that there is no merit in WWM's appeal for the following reasons (1) the sum of RM1,181,940.48 being claims or advancements made by Nicole Wong respectively were correctly disallowed, (2) the sum of RM188,060.54 being a claim unsupported by any supporting documents was correctly disallowed, (3) the sum of RM2,857.88 being claims and not loans by WWM was correctly dismissed and (4) the sum of RM100,000 being capital injection and not loan was correctly being dismissed.

On 2 December 2020, PISB filed an application in the High Court for stay of execution of the judgment pending disposal of PISB's appeal. On 21 April 2021, the High Court dismissed PISB's application with costs of RM3,000.00.

FURTHER INFORMATION

Meanwhile on 2 March 2021, WWM proceeded to execute the judgment dated 4 November 2020 by way of garnishee proceedings against United Overseas Bank (Malaysia) Berhad ("**UOB Bank**"), AmBank (M) Berhad, Malayan Banking Berhad ("**Maybank**") and RHB Bank Berhad ("**RHB Bank**") ("**Garnishee**"). On 5 April 2021, WWM obtained a garnishee order to show cause. In response, PISB on 5 May 2021 had filed an application to set aside the garnishee order. At the hearing on 28 May 2021, the High Court had dismissed PISB's application to set aside the garnishee order and made the garnishee order absolute with total costs of RM1,350.00. Consequently, a total sum of RM98,488.62 and United States Dollar ("**USD**") 40.54 in PISB's account with the UOB Bank, Maybank and RHB Bank had been garnished in favour of WWM.

On 23 July 2021, PISB filed an application in the Court of Appeal for stay of execution of the High Court judgment dated 4 November 2020 and the Court of Appeal on 30 September 2021 had dismissed the application with costs of RM5,000.00. The Court of Appeal was of the view that there is no special circumstance in this case warranting a stay of execution of the High Court judgment which is monetary in nature.

On 16 November 2021, the Court of Appeal has allowed PISB's Appeal with costs of RM8,000.00 and the sum of RM1,000,000.00 was disallowed as it was not within WWM's pleaded case. Meanwhile, WWM's Appeal was dismissed with costs of RM15,000.00 on even date.

Subsequently, on 23 September 2022, PISB has been served with a statutory notice of demand pursuant to Section 466(1)(a) of the Act (the "**466 Notice**"). The 466 Notice has been issued to recover the outstanding judgment sum of RM2,515,286.14 against PISB, inclusive of interest of 5% per annum from 22 March 2019 until full payment and costs in the net sum of RM12,480.00. Reneuco and PISB had then filed an application for an injunction to restrain WWM from taking further steps to file a winding up petition pursuant to the 466 Notice through Originating Summons No. WA-22NCC-946-10/2022 and an ex-parte Notice of Application ("**Fortuna Injunction Application**"). The ex-parte Fortuna Injunction Application has been fixed for a hearing via Zoom on an urgent basis on 13 October 2022 whereby the ex-parte hearing had been converted into an inter-parte hearing as WWM's solicitors were also present. YA Puan Adlin binti Abdul Majid (or the High Court) then granted an interim order for a Fortuna Injunction against WWM. A case management by way of e-review has been fixed on 9 November 2022 for parties to obtain further directions from the High Court.

On 31 October 2022, Reneuco and PISB filed a transfer application to transfer the Fortuna Injunction Application to the Court of YA Puan Liza Chan Sow Keng ("**Transfer Application**"), then, the High Court has fixed the Hearing for the Fortuna Injunction Application and Transfer Application on 22 February 2023. On the said hearing date on 22 February 2023, the parties were still in discussion for an alternative to the Fortuna Injunction, thus, the High Court had fixed a case management on 1 March 2023 for the parties to update the High Court on the status of such discussion.

On 1 March 2023, the solicitors for Reneuco and PISB had further informed the High Court that more time is required to obtain further instructions on whether Reneuco and PISB were agreeable to WWM's proposal of depositing the demanded sum of RM2,515,286.14 into a fixed deposit account pending the full and final disposal of the cross claim i.e. Kuala Lumpur High Court Suit No.: WA-22NCC-327-07/2020 (the "**327 Suit**"). The High Court then fixed another case management date on 14 March 2023. On 14 March 2023, the parties informed the High Court that the parties were unable to reach a consensus in respect of the settlement of the matter. The High Court then fixed the date for the hearing of the Transfer Application and the Fortuna Injunction Application on 11 April 2023 before YA Puan Adlin Binti Abdul Majid.

FURTHER INFORMATION

On 11 April 2023, YA Puan Adlin Binti Abdul Majid heard and dismissed the Transfer Application and awarded costs in the sum of RM5,000.00 to WWM. The High Court has allowed for parties to file any further affidavit in respect of the originating summons. The High Court also directed parties to file a further submission in respect of the originating summons by 30 May 2023. The originating summons has been fixed for hearing on 26 June 2023 before YA Puan Adlin Binti Abdul Majid and the originating summons is fixed for a decision on 27 June 2023.

Having heard the submissions by both parties, YA Puan Adlin has agreed with the submissions by the solicitors for WWM that the 327 Suit before YA Puan Liza Chan does not constitute a cross claim that could defeat the winding up petition based on the judgment sum obtained by WWM. The High Court is of the view that there is a valid and enforceable judgment obtained by WWM on 4 November 2020 (“Judgment”) and consequently it is an undisputed debt. In so far as the 327 Suit is concerned, the High Court is of the opinion that it has no relation or connection to the Judgment obtained by WWM as it does not arise from the same series of transactions. Consequently, the 327 Suit could not be considered as a cross claim to allow the High Court to exercise its discretion to grant the Fortuna Injunction.

In light of the above, YA Puan Adlin has made the following orders:

- (a) the Fortuna Injunction Application is dismissed; and
- (b) costs of RM8,000.00 is to be paid by Reneuco and PISB to WWM.

Upon the pronouncement of the Decision, the solicitors for Reneuco and PISB have informed the Court that Reneuco and PISB wish to file an appeal to the Court of Appeal and also for an interim stay for 14 days to allow Reneuco and PISB to file an Erinford Injunction to prevent WWM from proceeding to file any winding up petition pending the determination of the appeal which aims to preserve the status quo of the parties.

The solicitors for WWM have then informed the court that the offer from WWM still stands whereby WWM is agreeable to not proceed with the filing of the winding up petition pending the disposal of the 327 Suit on the condition that PISB deposits the sum of RM2,515,286.14 as demanded by WWM with the PISB’s solicitors’ accounts as stakeholders.

Reneuco have then informed the Court that PISB is agreeable to provide a property worth over RM6,000,000.00 as security pending the disposal of the 327 Suit. YA Puan Adlin has then asked parties to discuss and negotiate the matter further.

Accordingly, the solicitors of WWM have then given an undertaking that WWM will not proceed to execute the judgment or present a winding up petition against PISB pending the discussion and negotiation between the parties. Should the negotiations fail, the solicitors of WWM also undertakes to notify Reneuco and PISB’s solicitors at least 14 days prior to the filing of any winding up petition.

Reneuco and PISB had then, on 24 July 2023, filed an appeal against the decision of the learned High Court Judge in dismissing Reneuco and PISB’s Fortuna Injunction application (“**Fortuna Appeal**”). On the same date, Reneuco and PISB have also filed an application for an Erinford Injunction to further restrain WWM from presenting a winding up petition against PISB pending the disposal of the Fortuna Appeal (“**Erinford Injunction**”).

The parties had attended the first case management in respect of the Erinford Injunction on 7 August 2023 by way of e-Review before the Deputy Registrar, Puan Malarselvi a/p Sanmugam. The Court has then given the directions to the parties to file the necessary cause papers and the Hearing for the Erinford Injunction has been fixed on 20 November 2023 at 9 a.m. via Zoom & in respect of the Fortuna Appeal, the first Case Management has been fixed on 23 October 2023 at 9 a.m. via e-Review.

The decision has been given in favour of Reneuco and PISB on 14 November 2023. An announcement regarding the outcome of this action has been made with Bursa Malaysia. However, WWM and ACC, have filed an appeal to the Court of Appeal against the decision of the High Court. The case management in respect of the appeal has been fixed on 11 March 2024.

Given that the trial for the cross claim has been concluded and decision has been given in favor of Reneuco and PISB, the Fortuna Appeal will be academic at this stage. The solicitors for Reneuco and PISB have then asked for an adjournment of the Erinford Injunction Application hearing. On 14 December 2023, the solicitors for Reneuco and PISB have written to WWM's solicitors, that Reneuco and PISB will withdraw from the Fortuna Appeal and the Erinford Injunction with no order as to costs subject to a written undertaking from WWM that he shall not proceed with any winding up proceeding against PISB. WWM's solicitors have given an undertaking during a Case Management before the Judge on 22 January 2024 that WWM will withdraw the Statutory Notice dated 23 September 2022 issued against PISB by 29 January 2024. The High Court has fixed a further Case Management via e-Review on 30 January 2024 for Reneuco and PISB to withdraw the Fortuna Appeal and Erinford Injunction Application.

(c) WWM v Reneuco

On 4 April 2019, WWM filed a writ of summons at High Court against Reneuco, a former director of Reneuco, suing in his personal capacity. WWM claimed that in the year 2016, WWM had purportedly lent an amount of RM346,214.54 to Reneuco when he was the director of Reneuco.

On 6 May 2019, Reneuco filed its defence to the claim and counterclaimed against WWM for breach of his duty as a director of Reneuco.

The parties have since filed the bundle of pleadings, common bundle of documents, agreed facts, agreed issues, summary of case, list of witnesses and witness statements. The High Court has proceeded with the trial on 22 August 2022, 25 August 2022, 29 August 2022 and 20 October 2022.

On 1 November 2022, the learned Judicial Commissioner allowed WWM's claim against Reneuco for the sum of RM250,000.00 and costs RM25,000.00 and judgement was then served on Reneuco to pay the sum of RM322,833.56 as at on 3 January 2023 and the payment was made by Reneuco to WWM on 23 February 2023.
